Hello Folks,

I apologize if you are already aware of this resource, but there's so much there, I wanted to make sure you knew about all of the interactive tools Scholastic has on immigration.

I am using the "Ellis Island Interactive Tour" in library class this week. I know this theme is over next week, but you might want to bookmark this for next year, as there are many different types of activities and lesson plans. Note that I am NOT showing the "Virtual Field Trip of Ellis Island," which is a 30 minute video, in case you want to show that.
